## Love in a Bag needs your help!

We have an abundance of grocery bags that need to be double-bagged for the next school year. Double bagging them in advance saves time when filling the bags. Would you be willing to take some bags home and double bag them this summer?

## April 2026 Ministry Update Summary

In the latest update from Encompass World Partners, Executive Director Mike Yoder shared an encouraging look at how the gospel is advancing globally, alongside specific challenges that invite our prayerful support.

### Celebrating God's Fruitfulness:

- **Open Doors in Thailand:** Encompass has been invited to partner with local Thai believers for gospel ministry. The current focus is on training leaders and planting churches, and they are seeking North American workers and interns to help meet this need.
- **Expansion in Japan:** We celebrate the deployment of four new long-term workers to Japan this spring. They will be joining existing teams to serve on Japan's most populous island.

### Prayer Requests for Challenges:

- **Visa Restrictions in Chad:** Due to ongoing diplomatic tensions, Chad has stopped issuing visas to Americans. This has complicated training efforts, though the team is exploring creative alternatives to continue supporting Chadian leaders.
- **Opposition in Central Asia:** A missional business that has been a cornerstone of fruitful ministry for decades is currently facing significant government pressure and potential takeover. Please pray for God's wisdom and intervention for the staff involved.

Mike shared the gratefulness for ongoing partnership through prayer, financial generosity, and the testimony of your lives as we move forward together.
